The Butte Sailing Club, formed in 1987, is a friendly group of sailors whose emphasis is on recreational sailing and club-level racing. Our boats are trailerable and range in size from ten to twenty-four feet. We emphasize that sailing should be fun and focus on sailing well while helping one another. Water safety is the first priority of the club.

In short, the Butte Sailing Club is a place to learn about sailing, engage in spirited racing, and enjoy one another's company both on and off the water. Consider joining us at any of our events. **Membership is only \$10.00.** Guests boats and crew are welcome at any event without charge.

We encourage prospective members with sailboats of all types, as well as those who may be just looking at this terrific way to spend time. Be you a novice sailor or old salt, this is the club for you.
